Internal Medicine Essentials for Clerkship Students 2 American College of Physicians

Prepare for your internal medicine clinical rounds and the end-of-rotation exam with the fully revised and updated Internal Medicine Essentials for Clerkship Students 2! This new edition is organized around the major training areas included in the nationally recognized Core Medicine Clerkship Curriculum Guide. It contains 25% more content, over 100 additional differential diagnosis tables and treatment algorithms, and a new index. The book is enhanced with over 460 pages of online materials, including new clinical photographs, tables, screening tools, and other instruments. A collaboration of the American College of Physicians and the Clerkship Directors in Internal Medicine, this new edition was written by authors who helped design the internal medicine curriculum and who are actively involved in teaching students on the Internal Medicine clerkship. To further enrich your learning, each chapter is fully integrated with the companion volume MKSAP for Students 4, which features more than 450 self-assessment questions.
