Mending Him

Bonnie Dee

Mending Him Bonnie Dee

As his world collapses, love opens his heart. Robbie Grayson has always felt like a bit of an outsider in the Chester family, though he's related by blood. An orphan taken in at a young age, he is further set apart by a limp inflicted by a childhood illness. Nevertheless, he's content enough with his quiet country life-until a mercurial wastrel named Charles Worthington explodes into it. And Robbie is assigned to play nursemaid to an invalid with an attitude. Injured in a carriage accident, Charles arrives at the Chester estate drunk as a lord and with empty pockets. Despair consumes him as his broken body slowly heals, but the kindness of quiet, thoughtful Robbie saves him from drowning in self-pity. Over chess matches and conversation, these polar opposites challenge each other to break out of old patterns, until desire burns through the thin veneer of pure friendship. Yet their passion could destroy the family bonds they value so highly. Especially when someone catches wind of their relationship-and threatens blackmail. Warning: This book contains hot man-on-man lovin' between not-quite kissin' cousins.
