Mercedes Cruz is a single mother and a private investigator. She's also something else, something very, very powerful. Something she has denied for a long time. Mercy is a bruja...Spanish for "witch." In fact, Mercy comes from a long line of powerful Mexican brujas.

In MERCY'S MAGIC, Mercedes agrees to help her ex-husband find a missing person, an employee who hasn't reported to work in many days. As she looks deeper into the case, and as her own powers increase, Mercy will come across the seedier side of southern California, a side that takes advantage of the poor and desperate. Mercy soon learns that not all is as it seems and that a very dark force is watching her every move, a dark force that will do anything to stop her. Now in the fight of her life, Mercy is about to discover just how powerful a witch she really can be...
