Some killers kill for money. Some kill for fame. Still others kill for revenge. The Loner had a different motive. He killed to prove his point. For too many years, he sat by, as things remained the same. The Loner wanted to change the way things were and when the opportunity presented itself, he decided he had to take it. Detective Darnell Simms is in charge of finding this serial killer and bringing him to justice, dead or alive. Darnell prefers to take the killer alive, but when the case takes a turn and those people closest to him are affected, Darnell no longer cares if the killer is found alive.
