The Vampire Henry Horrified Press

Sick of vampires who glitter? Who run around in the sun, looking all hunky and moody?

Then meet Henry Lovell - the VAMPIRE Henry.

Nothing glamorous about Henry. He's a working-class stiff (no pun intended) and aspiring writer who just happens to drink blood to survive. He may or may not be immortal, but he knows one thing - life is SHORT baby, so drink up...

This then is the tale of the Vampire Henry. It is a story like a lot of other stories really: full of messy mistakes, heroes and villains, survivors and victims - blood, sweat, and tears.

Oh yeah... There's a LOT of blood...

From reader reviews:

Maria Jennings:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each e-book has different aim or goal; it means that publication has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they consider because their hobby is usually reading a book. Think about the person who don't like looking at a book? Sometime, man or woman feel need book if they found difficult problem or even exercise. Well, probably you'll have this The Vampire Henry.

Elizabeth Frizzell:

Book is definitely written, printed, or created for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Beside that you can your reading skill was fluently. A e-book The Vampire Henry will make you to be smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think this open or reading any book make you bored. It is not make you fun. Why they could be thought like that? Have you looking for best book or ideal book with you?

Robert Stewart:

This The Vampire Henry is great book for you because the content which can be full of information for you who always deal with world and have to make decision every minute. This book reveal it details accurately using great manage word or we can declare no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having The Vampire Henry in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no e-book that offer you world throughout ten or fifteen small right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt this?

Jessica Adkins:

Reading a guide make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is published or printed or highlighted from each source this filled update of news. In this particular modern era like currently, many ways to get information are available for an individual. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just trying to find the The Vampire Henry when you required it?
